Section 4. Disbursement Conditions.

(a) TIFIA Loan proceeds shall be disbursed solely in respect of Eligible Project Costs paid or incurred by or on behalf of the Borrower in connection with the Project. The Borrower acknowledges and agrees that any costs incurred in connection with the Project prior to receipt of all necessary authorizations from the USDOT in respect of such costs (which may include approvals of prior-incurred costs) are incurred solely at the Borrower's risk and expense, will not constitute Eligible Project Costs, and no TIFIA Loan proceeds will be disbursed in respect thereof, unless and until such authorizations have been received. If the Borrower intends to utilize the TIFIA Loan proceeds to make progress payments for the Project construction work performed under the Construction Agreements, the Borrower shall demonstrate to the satisfaction of the TIFIA Lender that such progress payments are commensurate with the value of the work that has been completed. Each disbursement of the TIFIA Loan shall be made pursuant to a requisition and certification (a "**Requisition**") in the form set forth in **Appendix One** to **Exhibit D**, along with all documentation and other information required thereby, submitted by the Borrower to the TIFIA Lender, all in accordance with the procedures of **Exhibit D** and subject to the requirements of this Section 4 (*Disbursement Conditions*) and the conditions set forth in Section 12(b) (*Conditions Precedent to All Disbursements*); provided, however, that no disbursements of TIFIA Loan proceeds shall be made on or after the date that is one (1) year after the Substantial Completion Date.

(b) The Borrower shall deliver copies of each Requisition to the TIFIA Lender, the Servicer (if any) and the [appropriate USDOT modal agency field office] on or before the first (1st) Business Day of each month for which a disbursement is requested. Express denial of a Requisition by the TIFIA Lender shall be provided substantially in the form attached as Appendix Two to Exhibit D (Requisition Procedures). In no event shall disbursements be made more than once each month.

(c) The Borrower may amend the Anticipated TIFIA Loan Disbursement Schedule by submitting a revised version thereof to the TIFIA Lender no later than thirty (30) days prior to the proposed effective date of such amendment, together with a detailed explanation of the reasons for such revisions.

(d) [As a condition to each disbursement of the TIFIA Loan, the Borrower shall provide to the TIFIA Lender evidence satisfactory to the TIFIA Lender that, prior thereto or simultaneously therewith, a disbursement of [Senior Obligation proceeds][*other funding sources*] has occurred such that as of any such TIFIA Loan disbursement, the aggregate amount of all disbursements of the TIFIA Loan (including the requested disbursement but excluding any interest that is capitalized in accordance with the terms hereof) shall not exceed [____] percent ([__]%) of the total amount of reasonably anticipated Eligible Project Costs.][69][70]

[69] This clause (d) will be included on a case by case basis where the commercial agreement includes a proportional disbursement requirement.

(c) The Borrower anticipates that it will draw down all of the proceeds of the TIFIA Loan to reimburse the Borrower for Eligible Project Costs paid by or on behalf of the Borrower prior to such disbursement of TIFIA Loan proceeds, including for the purpose of paying or redeeming the Project BANs. The Borrower shall deliver concurrently to the TIFIA Lender, the [*appropriate USDOT modal agency field office*], and the Servicer (if any) invoices and records evidencing Eligible Project Costs (the "**Eligible Project Costs Documentation**"), irrespective of whether such costs were paid with the proceeds of the Project BANs; provided that the Borrower must deliver all Eligible Project Costs Documentation associated with any Eligible Project Costs included in a Requisition delivered to the TIFIA Lender, the [*appropriate USDOT modal agency field office*], and the Servicer (if any) by the applicable following date: (i) with respect to Eligible Project Costs incurred by or on behalf of the Borrower prior to, and up to one (1) month after, the Effective Date, by the last Business Day of the second (2nd) month immediately following the Effective Date and (ii) with respect to Eligible Project Costs incurred by or on behalf of the Borrower after the one-month period referred to in clause (i) above, by the last Business Day of each month immediately following such second (2nd) month referred to in clause (i) above.

(d) Each time the Borrower delivers Eligible Project Costs Documentation to the TIFIA Lender, the [*appropriate USDOT modal agency field office*], and the Servicer (if any), the Borrower shall also deliver to such entities a certificate, duly executed by the Borrower's Authorized Representative, certifying as to the following:

(i) the amount of Eligible Project Costs financed from the proceeds of Project BANs for the period of time for which such Eligible Project Costs Documentation is being provided;

(ii) that such proceeds of any Project BANs were expended solely in connection with the payment or reimbursement of Eligible Project Costs;

(iii) the amount of Eligible Project Costs paid by or on behalf of the Borrower from sources other than Project BANs and identifying such sources; and

(e) The Eligible Project Costs Documentation submitted pursuant to Section 4(c) and the certificate delivered pursuant to Section 4(d) must be satisfactory to the TIFIA Lender. The Eligible Project Costs Documentation must provide sufficient detail to enable the TIFIA Lender to verify that such costs are Eligible Project Costs paid by or on behalf of the Borrower. The Eligible Project Costs Documentation and the certificate must provide sufficient detail to enable the TIFIA Lender to verify that proceeds of the Project BANs were expended for Eligible Project Costs for the Project and to audit such other Eligible Project Costs paid by or on behalf of the Borrower. The certificate and the Eligible Project Costs Documentation are intended to document Eligible Project Costs in connection with the reimbursement of such Eligible Project Costs or for the purpose of paying or redeeming, in whole or part, only those Project BANs in respect of which the proceeds were used to pay such documented Eligible Project Costs. The TIFIA Lender shall review each such certificate for compliance with TIFIA disbursement requirements. Within fourteen (14) Business Days following the receipt of the Eligible Project Costs Documentation and the accompanying certificate, the TIFIA Lender shall deliver a notice to the Borrower confirming the Eligible Project Costs set forth in the certificate that have been approved, or notifying the Borrower as to which Eligible Project Costs have not been approved, and confirming the cumulative amount of Eligible Project Costs approved as of the notice date. Such approved amounts of Eligible Project Costs will be disbursed at such time as the Borrower submits a Requisition in respect of such approved amounts in accordance with clauses (a) and (b) above. The Borrower shall not submit a Requisition that seeks reimbursement of any Eligible Project Costs for which the related Eligible

Upon the occurrence of any other Event of Default, the Borrower shall pay interest on the Outstanding TIFIA Loan Balance and on any interest accrued thereon but unpaid as of the applicable [Semi-Annual] Payment Date (including interest accruing after the date of any filing by the Borrower of any petition in bankruptcy or the commencement of any bankruptcy, insolvency or similar proceeding with respect to the Borrower) at the Default Rate from (and including) the date such Event of Default first occurred to (but excluding) the earlier to occur of (a) the date such Event of Default has been waived by the TIFIA Lender and (b) the date the Outstanding TIFIA Loan Balance and any interest accrued thereon (at the Default Rate) but unpaid has been irrevocably paid in full in cash.

Section 9. Payment of Principal and Interest.

(a) Payment Dates. The Borrower agrees to pay the principal of and interest on the TIFIA Loan by making payments in accordance with the provisions of this Agreement and the Indenture Documents on each Semi-Annual Payment Date, beginning on the Debt Service Payment Commencement Date, and on each other date on which payment thereof is required to be made hereunder (including the Final Maturity Date and any date on which payment is due by reason of the acceleration of the maturity of the TIFIA Loan or otherwise); provided that if any such date is not a Business Day, payment shall be made on the next Business Day following such date. [Any payment of the TIFIA Bond shall be treated as a payment of the TIFIA Loan and any prepayment of principal of the TIFIA Loan shall be treated as redemption of the TIFIA Bond.][76]

(b) Capitalized Interest Period. No payment of the principal of or interest on the TIFIA Loan is required to be made during the Capitalized Interest Period. On each **[**June 30 and December 31**]** occurring during the Capitalized Interest Period (and on the Semi-Annual Payment Date immediately following the end of the Capitalized Interest Period), interest accrued on the TIFIA Loan in the six (6) month period ending immediately prior to such date shall be capitalized and added to the Outstanding TIFIA Loan Balance. Within thirty (30) days after the

The priorities set out in this Section 8 reflect TIFIA's standard provisions where the TIFIA Loan is subordinated.

end of the Capitalized Interest Period, the TIFIA Lender shall give written notice to the Borrower stating the Outstanding TIFIA Loan Balance as of the close of business on the last day of the Capitalized Interest Period, which statement thereof shall be deemed conclusive absent manifest error; provided, however, that no failure to give or delay in giving such notice shall affect any of the obligations of the Borrower hereunder or under any of the other TIFIA Loan Documents.

(c) Payment of TIFIA Debt Service.

(i) On each Semi-Annual Payment Date occurring on or after the Debt Service Payment Commencement Date [and prior to the Level Payment Commencement Date][77], the Borrower shall pay TIFIA Debt Service in the amounts set forth in respect of such Semi-Annual Payment Date on **Exhibit G**, as the same may be revised as provided in Section 7 (*Outstanding TIFIA Loan Balance; Revisions to Exhibit G and Loan Amortization Schedule*), which payments shall be made in accordance with Section 9(f) (*Manner of Payment*).

(ii) [On each Semi-Annual Payment Date occurring on or after the Level Payment Commencement Date, the Borrower shall pay TIFIA Debt Service in the amount of one hundred percent (100%) of the Fixed Level Payment, which payments shall be made in accordance with Section 9(d) (*Fixed Level Payments*) and Section 9(f) (*Manner of Payment*).][78]

(d) [Fixed Level Payments. On each Semi-Annual Payment Date occurring during the Level Payment Period, the Borrower shall make level payments of principal and interest (each a "**Fixed Level Payment**"), each of which payments shall be approximately equal in amount. The amount of the Fixed Level Payment shall be calculated in such manner that the Outstanding TIFIA Loan Balance as of the Level Payment Commencement Date shall be reduced to $0 on the Final Maturity Date (assuming that interest accrues during such period on the Outstanding TIFIA Loan Balance at the rate per annum set forth in Section 6 (*Interest Rate*) in the absence of an Event of Default, that all Fixed Level Payments are made in a timely manner during such period, and that no additional payments of principal of or interest on the TIFIA Loan are made during such period). Within thirty (30) days prior to the beginning of the Level Payment Period, the TIFIA Lender may (or, at the written request of the Borrower, shall) give written notice to the Borrower of the amount of the related Fixed Level Payment, which amount shall be deemed conclusive absent manifest error, but no failure to provide or delay in providing the Borrower with such notice shall affect any of the obligations of the Borrower under this Agreement or the other TIFIA Loan Documents. To the extent that any prepayments of the TIFIA Loan shall be made during the Level Payment Period in addition to the Fixed Level Payments, such prepayments shall be applied to the remaining Outstanding TIFIA Loan Balance

and the resulting Fixed Level Payments shall be recalculated as provided in Section 10(c) (*General Prepayment Instructions*) and reflected in a revised **Exhibit G**.][79]

(e) Accrual of Amounts on Interim Payment Dates.

(i) If any Senior Obligations, Pari Passu Obligations, or Subordinated Obligations require the payment of principal or interest on any Interim Payment Date after the Debt Service Payment Commencement Date, the Borrower shall promptly notify the Servicer (if any) and the TIFIA Lender thereof in writing, identifying the period covered by such Interim Payment Period and the Interim Payment Date.

(ii) On any such Interim Payment Date during the period on and after the Debt Service Payment Commencement Date, the Borrower shall transfer or otherwise deposit, or cause to be transferred or otherwise deposited, into the TIFIA Debt Service Account an amount equal to the amount of TIFIA Debt Service due and payable on the next succeeding Semi-Annual Payment Date (as shown on **Exhibit G**, as the same may be revised as provided in Section 7 (*Outstanding TIFIA Loan Balance; Revisions to Exhibit G and Loan Amortization Schedule*)) multiplied by a fraction, the numerator of which is equal to the number of months contained in the Interim Payment Period ending on such Interim Payment Date and the denominator of which is equal to six (6).

(iii) If an Interim Payment Date is other than the first Business Day of a calendar month, the method for calculating any amount required to be transferred or deposited into the TIFIA Debt Service Account pursuant to this Section 9(e) (*Accrual of Amounts on Interim Payment Dates*) shall be determined at such time by the parties hereto.

(f) Manner of Payment. Payments under this Agreement and the TIFIA Bond shall be made by wire transfer on or before each Semi-Annual Payment Date in immediately available funds in accordance with payment instructions provided by the TIFIA Lender pursuant to Section 36 (*Notices; Payment Instructions*), as modified in writing from time to time by the TIFIA Lender. The Borrower may make any such payment or portion thereof (or direct the Trustee to make such payment) with funds then on deposit in the TIFIA Debt Service Account.

(g) Final Maturity Date. Notwithstanding anything herein to the contrary, the Outstanding TIFIA Loan Balance and any accrued interest thereon shall be due and payable in full on the Final Maturity Date (or on any earlier date on which the maturity of the TIFIA Loan shall be accelerated pursuant to the provisions of Section 19 (*Events of Default and Remedies*)).

(h) TIFIA Bond. As evidence of the Borrower's obligation to repay the TIFIA Loan, the Borrower shall issue and deliver to the TIFIA Lender, on or prior to the Effective Date, the TIFIA Bond substantially in the form of **Exhibit A**, having a maximum principal amount (excluding capitalized interest) of $[*insert maximum principal amount of TIFIA loan*] and bearing interest at the rate set forth in Section 6 (*Interest Rate*).

Section 10. Prepayment.

(a) Mandatory Prepayments. The Borrower shall prepay the TIFIA Loan in whole or in part, without penalty or premium:

(i) [on each Semi-Annual Payment Date occurring on or after the Debt Service Payment Commencement Date, in an amount equal to the lesser of (A) the amount remaining in the Revenue Account (as defined in the Indenture) after giving effect to the payments in clauses FIRST through [_____] of Section [_____] of the Indenture on such date, and (B) an amount equal to [fifty percent (50%)] of the amount by which the aggregate Net Cash Flow that is deposited in the Revenue Account during the immediately preceding calendar year exceeds the projected Net Cash Flow for such period as reflected in **Exhibit I**;][80]

(ii) following the determination thereof in accordance with the Indenture, in the amount of any Net Loss Proceeds;

(iii) upon any voluntary prepayment of Pari Passu Obligations or Subordinated Obligations, pro rata with such voluntary prepayment; and

(iv) [*other applicable mandatory prepayment requirements*].[81]

The Borrower shall provide written notice to the TIFIA Lender at least two (2) Business Days prior to the date on which it makes any mandatory prepayment; provided that the Borrower's failure to deliver such notice shall not diminish, impair or otherwise affect the Borrower's obligation to make any such mandatory prepayment as and when the circumstances requiring such mandatory prepayment have occurred. Each prepayment pursuant to this Section 10(a) (*Mandatory Prepayments*) shall be effected pursuant to Section [_____] of the Indenture (as applicable) and accompanied by a certificate signed by the Borrower's Authorized Representative identifying the provision of this Agreement pursuant to which such prepayment is being made and containing a calculation in reasonable detail of the amount of such prepayment.

(b) Optional Prepayments. The Borrower may prepay the TIFIA Loan at any time without penalty or premium, in whole or in part; provided, that each partial prepayment shall be in a minimum principal amount of $1,000,000.[82] Each prepayment of the TIFIA Loan shall be made on such date and in such principal amount as shall be specified by the Borrower in a written notice delivered to the TIFIA Lender, which notice shall also specify the amount of unpaid interest accrued to the date of such prepayment on the amount of principal to be prepaid that the Borrower intends to pay concurrently with such prepayment, if any. In the case of any

optional prepayment, such written notice shall be delivered to the TIFIA Lender not less than ten (10) days or more than thirty (30) days prior to the date set for prepayment, unless otherwise agreed by the TIFIA Lender. At any time between delivery of such written notice and the applicable optional prepayment, the Borrower may, without penalty or premium, rescind its announced optional prepayment by further written notice to the TIFIA Lender. Anything in this Section 10(a) to the contrary notwithstanding, the failure by the Borrower to make any optional prepayment shall not constitute a breach or default under this Agreement.

(c) General Prepayment Instructions. Upon the TIFIA Lender's receipt of confirmation that payment in full of the entire Outstanding TIFIA Loan Balance and any unpaid interest and fees with respect thereto has occurred as a result of a mandatory or optional prepayment, the TIFIA Lender shall surrender the TIFIA Bond to the Borrower or its representative at the principal office of the TIFIA Lender [or certify to the Borrower that the TIFIA Bond has been destroyed in accordance with the TIFIA Lender's procedures]. If the Borrower prepays only part of the unpaid balance of principal of such TIFIA Bond, the TIFIA Lender may make a notation on **Exhibit G** indicating the amount of principal of and interest on such TIFIA Bond then being prepaid. Absent manifest error, the TIFIA Lender's determination of such matters as set forth on **Exhibit G** shall be conclusive evidence thereof; provided, however, that neither the failure to make any such recordation nor any error in such recordation shall affect in any manner the Borrower's obligations hereunder or under any other TIFIA Loan Document. All such partial prepayments of principal shall be applied to reduce future payments due on the TIFIA Bond in inverse order of maturity [or, to the extent any such prepayment occurs on or after the Level Payment Commencement Date, to reduce each Fixed Level Payment ratably by an equal amount].[83] If said monies shall not have been so paid on the prepayment date, such principal amount of such TIFIA Bond shall continue to bear interest until payment thereof at the rate provided for in Section 6 (*Interest Rate*).

Section 11. Compliance with Laws. The Borrower shall, and shall require its contractors and subcontractors at all tiers for the Project to, comply in all material respects with all applicable laws, rules, regulations, executive and administrative decrees and orders, and orders and judgments of any court or arbitral panel, including all applicable federal and State laws, rules, regulations and executive orders. The list of federal laws attached as **Exhibit E** is illustrative of the type of requirements generally applicable to transportation projects and is not intended to be exhaustive. The [FHWA Division Office][*insert other USDOT modal agency field office, if applicable*] has oversight responsibility for the Project, including ensuring compliance in all material respects with all applicable provisions of federal law [and with the terms of the FTA Master Grant Agreement, to the extent applicable. The Borrower and TIFIA Lender mutually acknowledge that not every provision of the FTA Master Grant Agreement will apply to the Project. The FTA Regional Office and the TIFIA Lender (a) will enforce only those federal laws, regulations, and guidance that apply to the Project, and (b) will not enforce federal laws, regulations, and guidance that do not apply to the Project. Application of any reference within the FTA Master Grant Agreement to the common grant rule (2 CFR Part 200) are limited to Subparts A, B, D, and F of the rule and 2 CFR Parts 1200 and 1201, which modify the rule as

(ix) No Material Adverse Effect, or any event or condition that could reasonably be expected to result in a Material Adverse Effect, shall have occurred and be continuing since the date the Borrower submitted the Application to the TIFIA Lender.

(x) The Borrower shall have delivered to the TIFIA Lender a Requisition that complies with the provisions of Section 4 (*Disbursement Conditions*), and such Requisition has not been expressly denied by the TIFIA Lender .

Section 13. Representations and Warranties of Borrower. The Borrower hereby represents and warrants that, as of the Effective Date and, as to each of the representations and warranties below other than those contained in Section 13(b) (*Officer's Authorization*) and Section 13(l) (*Credit Ratings*), as of each date on which any disbursement of the TIFIA Loan is requested or made:

(a) Organization; Power and Authority. The Borrower is a [_____] duly organized, validly existing and in good standing under the laws of the State, has full legal right, power and authority to enter into the Related Documents then in existence, to execute and deliver the TIFIA Bond, and to carry out and consummate all transactions contemplated hereby and thereby and has duly authorized the execution, delivery and performance of the Related Documents.

(b) Officers' Authorization. As of the Effective Date, the officers of the Borrower executing (or that previously executed) the Related Documents, and any certifications or instruments related thereto, to which the Borrower is a party are (or were at the time of such execution) duly and properly in office and fully authorized to execute the same.

(c) Due Execution; Enforceability. Each of the Related Documents in effect as of any date on which this representation and warranty is made, and to which the Borrower is a party, has been duly authorized, executed and delivered by the Borrower and constitutes the legal, valid and binding agreement of the Borrower enforceable in accordance with its terms, except as such enforceability (i) may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally, and (ii) is subject to general principles of equity (regardless of whether enforceability is considered in equity or at law).

(d) Non-Contravention. The execution and delivery of the Related Documents to which the Borrower is a party, the consummation of the transactions contemplated in the Related Documents and the fulfillment of or compliance with the terms and conditions of the Related Documents will not (i) conflict with the Borrower's Organizational Documents or the Authorizing Legislation, (ii) conflict in any material respect with, or constitute a violation, breach or default (whether immediately or after notice or the passage of time or both) by the Borrower of or under, any applicable law, administrative rule or regulation, any applicable court or administrative decree or order, or any indenture, mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Borrower is a party or by which it or its properties or assets are otherwise subject or bound, or (iii) result in the creation or

imposition of any Lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Borrower other than the Liens granted pursuant to the Indenture Documents.

(e) Consents and Approvals. No consent or approval of any trustee, holder of any indebtedness of the Borrower or any other Person, and no consent, permission, authorization, order or license of, or filing or registration with, any Governmental Authority is necessary in connection with (i) the execution and delivery by the Borrower of the Related Documents, except as have been obtained or made and as are in full force and effect, or (ii) (A) the consummation of any transaction contemplated by the Related Documents or (B) the fulfillment of or compliance by the Borrower with the terms and conditions of the Related Documents, except as have been obtained or made and as are in full force and effect or as are ministerial in nature and can reasonably be expected to be obtained or made in the ordinary course on commercially reasonable terms and conditions when needed.

(f) Litigation. As of the Effective Date, [except as set forth in **Schedule 13(f)**][101], there is no action, suit, proceeding or, to the knowledge of the Borrower, any inquiry or investigation, in any case before or by any court or other Governmental Authority pending or, to the knowledge of the Borrower, threatened against or affecting the Project or the ability of the Borrower to execute, deliver and perform its obligations under the Related Documents. As of the Effective Date and as of each other date on which the representations and warranties herein are made or confirmed, there is no action, suit, proceeding or, to the knowledge of the Borrower, any inquiry or investigation before or by any court or other Governmental Authority pending, or to the knowledge of the Borrower, threatened against or affecting the Project, the Borrower or the assets, properties or operations of the Borrower, that in any case could reasonably be expected to result in a Material Adverse Effect. To the Borrower's knowledge, there are no actions of the type described above pending, threatened against, or affecting any of the Principal Project Parties except for matters arising after the Effective Date that could not reasonably be expected to (i) result in a Material Adverse Effect or (ii) adversely affect the Borrower's ability to receive Project Revenues in amounts sufficient to meet the financial projections contained in the Base Case Financial Model (or any Revised Financial Model, to the extent any Revised Financial Model has been submitted to the TIFIA Lender). The Borrower is not in default (and no event has occurred and is continuing that, with the giving of notice or the passage of time or both, could constitute a default) with respect to any Governmental Approval, which default could reasonably be expected to result in a Material Adverse Effect.

(g) Security Interests. The Indenture Documents, the Authorizing Legislation and [*insert any other state or municipal code reference authorizing statutory ability to create a lien*] establish, in favor of the Trustee for the benefit of the TIFIA Lender, the valid and binding Liens on the Trust Estate that they purport to create, irrespective of whether any Person has notice of the pledge and without the need for any physical delivery, recordation, filing, or further act. Such Liens are in full force and effect and are not subordinate or junior to any other Liens in

respect of the Trust Estate except for the Liens associated with Senior Obligations, and not *pari passu* with any obligations other than the Pari Passu Obligations. The Borrower has duly and lawfully taken all actions required under this Agreement, the Indenture Documents, and applicable laws for the pledge of the Trust Estate pursuant to and in accordance with the Indenture Documents. The Borrower is not in breach of any covenants set forth in Section 15(a) (*Securing Liens*) or in the Indenture Documents with respect to the matters described in such section or documents. As of the Effective Date and as of each other date this representation and warranty is made, (i) all documents and instruments have been recorded or filed for record in such manner and in such places as are required and all other action as is necessary or desirable has been taken to establish a legal, valid, binding, and enforceable Lien on the Trust Estate in favor of the Trustee (for the benefit of the Secured Parties) to the extent contemplated by the Indenture Documents, and (ii) all taxes and filing fees that are due and payable in connection with the execution, delivery or recordation of any Indenture Documents or any instruments, certificates or financing statements in connection with the foregoing, have been paid. Neither the attachment, perfection, validity, enforceability or priority of the security interest in the Trust Estate granted pursuant to the Indenture Documents is governed by Article 9 of the UCC.[102]

(h) No Debarment. The Borrower has fully complied with its verification obligations under 2 CFR § 180.320 and confirms that, to its knowledge, neither the Borrower nor any of its principals (as defined in 2 CFR § 180.995) is debarred, suspended or voluntarily excluded from participation in Federal Government contracts, procurement or non-procurement matters or delinquent on a Federal Government debt as more fully set forth in the certificate delivered pursuant to Section 12(a)(iv) (*Conditions Precedent to Effectiveness*). Further, the Borrower has fully complied with 2 CFR Part 180, including Subpart C, in particular §§ 180.300 and 180.330, and with 2 CFR § 1200.332. The Borrower is not aware of any non-compliance by any of its contractors or subcontractors on the Project with the applicable requirements of 2 CFR Part 180.

(i) Accuracy of Representations and Warranties. The representations, warranties and certifications of the Borrower set forth in this Agreement and the other Related Documents are true, correct, and complete, except to the extent such representations and warranties expressly relate to an earlier date (in which case, such representations and warranties shall be true, correct, and complete as of such earlier date).

(j) Compliance with Federal Requirements. The Borrower has complied, with respect to the Project, with all applicable requirements of NEPA, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601 *et seq*.), and Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq*.).

(k) Transportation Improvement Program. The Project has been included in (i) the metropolitan transportation improvement program adopted by the [*insert name of federally designated metropolitan planning organization for the region*], (ii) the State

transportation plan, and (iii) the State transportation improvement program approved by the USDOT or its designated agency, in each case to the extent required by 23 U.S.C. §§ 134 and 135 and 23 U.S.C. § 602(a)(3), as applicable. The financial plan for each such program or plan reflects the costs of, and the sources of funding for, the Project.

(l) Credit Ratings. Each of the Senior Obligations and the TIFIA Loan has received an Investment Grade Rating from at least two (2) Rating Agencies, and written evidence of such ratings has been provided to the TIFIA Lender prior to the Effective Date, and no such rating has been reduced, withdrawn or suspended as of the Effective Date.[103]

(m) No Defaults. No Default or Event of Default, and no event of default (howsoever described or designated) of the Borrower under any Related Document has occurred and is continuing.

(n) Governmental Approvals. All Governmental Approvals required as of the Effective Date and any subsequent date on which this representation is made (or deemed made) for the undertaking and completion by the Borrower of the Project, and for the operation and management thereof, have been obtained or effected and are in full force and effect and there is no basis for, nor proceeding that is pending or threatened that could reasonably be expected to result in, the revocation of any such Governmental Approval.

(o) Principal Project Contracts. Each Principal Project Contract in effect as of any date on which this representation and warranty is made is in full force and effect and all conditions precedent to the obligations of the respective parties under each Principal Project Contract have been satisfied. The Borrower has delivered to the TIFIA Lender a fully executed, complete, and correct copy of each such Principal Project Contract and each Additional Project Contract required to be delivered to, or requested by, the TIFIA Lender pursuant to Section 15(b) (*Copies of Documents*) (including, in each case, all exhibits, schedules and other attachments) that is in effect, including any amendments or modifications thereto and any related credit support instruments or side letters. No event has occurred that gives the Borrower or, to the Borrower's knowledge, any Principal Project Party, the right to terminate any Principal Project Contract. The Borrower is not in breach of, or in default under, any Principal Project Contract, and, to the knowledge of the Borrower, no Principal Project Party is in breach of, or in default under, any material term of any Principal Project Contract.

(p) Information. The information furnished by the Borrower to the TIFIA Lender, when taken as a whole, does not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements contained therein not misleading as of the date made or furnished; provided that no representation or warranty is made with regard to projections or other forward-looking statements provided by or on behalf of the Borrower (including the Base Case Financial Model, any Revised Financial Model, and the assumptions therein) except that the assumptions in the Base Case Financial Model and any Revised Financial Model were reasonable in all material respects when made.

---

[103] If the total aggregate principal amount of the Senior Obligations and the TIFIA Loan is less than $150,000,000, one rating agency opinion for each of the Senior Obligations and the TIFIA Loan shall be sufficient.

(q) OFAC; Anti-Corruption Laws.

(i) None of the Borrower[, any other Borrower Related Party,] nor, to the knowledge of the Borrower, any Principal Project Party is a Sanctioned Person.

(ii) None of the Borrower[, any other Borrower Related Party,] nor, to the knowledge of the Borrower, any Principal Project Party is in violation of or, since the date that is five (5) years prior to the Effective Date, has violated: (A) any applicable Anti-Money Laundering Laws; (B) any applicable Sanctions; (C) any applicable Anti-Corruption Laws; or (D) any applicable anti-drug trafficking or anti-terrorism laws, civil or criminal.

(iii) There are no pending or, to the knowledge of the Borrower, threatened claims or investigations by any Governmental Authority against, or any internal investigations conducted by, the Borrower or any Principal Project Party, with respect to any possible or alleged violations of any Sanctions, Anti-Money Laundering Laws, Anti-Corruption Laws, or any anti-drug trafficking or anti-terrorism laws.

(iv) No use of proceeds of the TIFIA Loan or other transaction contemplated by this Agreement or any other Related Document will violate any applicable Sanctions, Anti-Money Laundering Laws, or Anti-Corruption Laws, or any applicable anti-drug trafficking or anti-terrorism laws.

(r) Compliance with Law. [The Borrower] [Each of the Borrower and each other Borrower Related Party] is in compliance in all material respects with, and has conducted (or caused to be conducted) its business and government functions and the business and operations of the Project in compliance in all material respects with, all applicable laws (other than Environmental Laws, which are addressed in Section 13(s) (*Environmental Matters*)), including those set forth on **Exhibit E**, to the extent applicable. To the Borrower's knowledge, each Principal Project Party is, and has caused its respective contractors and subcontractors to be, in compliance in all material respects with all applicable laws, including those set forth on **Exhibit E**, to the extent applicable. No notices of violation of any applicable law have been issued, entered or received by the Borrower[, any other Borrower Related Party] or, to the Borrower's knowledge and solely in respect of the Project or any Principal Project Contract, any Principal Project Party, other than, in each case, notices of violations that are immaterial.

(s) Environmental Matters. Each of the Borrower[, each other Borrower Related Party] and, to the Borrower's knowledge, each Principal Project Party is in compliance with all laws applicable to the Project relating to (i) air emissions, (ii) discharges to surface water or ground water, (iii) noise emissions, (iv) solid or liquid waste disposal, (v) the use, generation, storage, transportation or disposal of toxic or hazardous substances or wastes, (vi) biological resources (such as threatened and endangered species), and (vii) other environmental, health or safety matters, including all laws applicable to the Project referenced in the notice "Federal Environmental Statutes, Regulations, and Executive Orders Applicable to the Development and Review of Transportation Infrastructure Projects," 79 Fed. Reg. 22756 (April 23, 2014) (or any successor Federal Register notice of similar import), which document is available at http://www.transportation.gov/policy/transportation-policy/environment/laws ("**Environmental**

Laws"). All Governmental Approvals for the Project relating to Environmental Laws have been, or, when required, will be, obtained and are (or, as applicable, will be) in full force and effect. [The Borrower has not][Neither the Borrower nor any other Borrower Related Party has] received any written communication or notice, whether from a Governmental Authority, employee, citizens group, or any other Person, that alleges that the Borrower [or such other Borrower Related Party] is not in full compliance with all Environmental Laws and Governmental Approvals relating thereto in connection with the Project and, to the Borrower's knowledge, there are no circumstances that may prevent or interfere with full compliance in the future by the Borrower [or any other Borrower Related Party] with any such Environmental Law or Governmental Approval. The Borrower has provided to the TIFIA Lender all material assessments, reports, results of investigations or audits, and other material information in the possession of or reasonably available to the Borrower [or any other Borrower Related Party] regarding the Borrower's or the Project's compliance with (A) Environmental Laws, and (B) Governmental Approvals relating to Environmental Laws that are required for the Project.

(t) Sufficient Rights and Utilities. The Borrower possesses either valid legal and beneficial title to, leasehold title in, or other valid legal rights with respect to the real property relating to the Project, in each case as is necessary and sufficient as of the date this representation is made for the construction, operation, maintenance and repair of the Project. As of any date on which this representation and warranty is made, the Principal Project Contracts then in effect and the Governmental Approvals that have been obtained and are then in full force and effect create rights in the Borrower sufficient to enable the Borrower to [own,] construct, operate, maintain and repair the Project and to perform its obligations under the Principal Project Contracts to which it is a party. All utility services, means of transportation, facilities and other materials necessary for the construction and operation of the Project (including, as necessary, gas, electrical, water and sewage services and facilities) are, or will be when needed, available to the Project and arrangements in respect thereof have been made on commercially reasonable terms.

(u) Insurance. The Borrower is in compliance with all insurance obligations required under each Principal Project Contract and the other Related Documents as of the date on which this representation and warranty is made. To the extent the Borrower self-insures, the Borrower's self-insurance program is actuarially sound and the Borrower has received an opinion from an accredited actuary within the last twelve (12) months, which opinion confirms that the Borrower's self-insurance program is actuarially sound.

(v) Title. The Borrower has valid legal and beneficial title to, or a valid leasehold interest in, the personal property and other assets and revenues thereof (including the Pledged Revenues and the Trust Estate) on which it purports to grant Liens pursuant to the Indenture Documents, in each case free and clear of any Lien of any kind, except for Permitted Liens.

(w) No Liens. Except for Permitted Liens, the Borrower has not created, and is not under any obligation to create, and has not entered into any transaction or agreement that would result in the imposition of, any Lien on the Trust Estate, the Project, the Pledged Revenues, or the properties or assets in relation to the Project.

(x) Intellectual Property. The Borrower owns, or has adequate licenses or other valid rights to use, all patents, trademarks, service marks, trade names, copyrights, franchises, formulas, licenses and other rights with respect thereto and has obtained assignment of all licenses and other rights of whatsoever nature, in each case necessary for the Project and the operation of its business. To the Borrower's knowledge, there exists no conflict with the rights or title of any third party with respect to the intellectual property described in the preceding sentence. Excluding the use of commercially available "off-the-shelf" software, to the Borrower's knowledge, no product, process, method, substance, part or other material produced or employed or presently contemplated to be produced by or employed by the Project infringes or will infringe any patent, trademark, service mark, trade name, copyright, franchise, formula, license or other intellectual property right of any third party.

(y) Investment Company Act. The Borrower is not, and after applying the proceeds of the TIFIA Loan will not be, required to register as an "investment company" within the meaning of the Investment Company Act of 1940, as amended, and is not "controlled" by a company required to register as an "investment company" under the Investment Company Act of 1940, as amended.

(z) Financial Statements. Each income statement, balance sheet, and statement of operations and cash flows (collectively, "**Financial Statements**") delivered to the TIFIA Lender pursuant to Section 21(c) (*Financial Statements*) has been prepared in accordance with GAAP and presents fairly, in all material respects, the financial condition of the Borrower as of the respective dates of the balance sheets included therein and the results of operations of the Borrower for the respective periods covered by the statements of income included therein. Except as reflected in such Financial Statements, there are no liabilities or obligations of the Borrower of any nature whatsoever for the period to which such Financial Statements relate that are required to be disclosed in accordance with GAAP.

(aa) [Taxes. The Borrower has (i) filed all tax returns required by applicable laws to be filed by it, and (ii) paid all income taxes payable by it that have become due pursuant to such tax returns and all other material taxes and assessments payable by it that have become due (other than those taxes that it is contesting in good faith and by appropriate proceedings, for which adequate reserves have been established to the extent required by GAAP).][The Borrower is not required to file tax returns with any Governmental Authority.][104]

(bb) ERISA. Neither the Borrower nor any ERISA Affiliate maintains or otherwise has any liability in respect of any plan or other arrangement that is subject to ERISA or Section 412 of the Tax Code.

(cc) Sufficient Funds. The aggregate of (i) all funds that are undrawn but fully and completely committed under the Indenture Documents, [*insert other funding documents as applicable*], and this Agreement, (ii) all delay payments and insurance proceeds in respect of any casualty loss (other than any proceeds of business interruption insurance, delay-in-start-up insurance and proceeds covering liability of the Borrower to third parties) received by the

[104] Text to be revised as appropriate.

Borrower or to which the Borrower is entitled in accordance with the applicable insurance policies and Principal Project Contracts, and (iii) all funds available under any other unused funding that is committed and available, will be sufficient to pay all Total Project Costs necessary to achieve Substantial Completion.

(dd) Sovereign Immunity. The Borrower [and, to the Borrower's knowledge, each other Borrower Related Party,] either has no immunity from the jurisdiction of any court of competent jurisdiction or from any legal process therein which could be asserted in any action to enforce the obligations of the Borrower [or such other Borrower Related Party] under any of the Related Documents to which it is a party or the transactions contemplated hereby or thereby, including the obligations of the Borrower hereunder and thereunder, or, to the extent that the Borrower [and, to the Borrower's knowledge, any other Borrower Related Party,] has such immunity, the Borrower [and, to the Borrower's knowledge, each such Borrower Related Party,] has waived such immunity pursuant to Section 15(r) (*Immunity*).[105][106]

(ee) Patriot Act. [The Borrower is not required to establish an anti-money laundering compliance program pursuant to the Patriot Act][Neither the Borrower nor any Borrower Related Party is required to establish an anti-money laundering compliance program pursuant to the Patriot Act][The Borrower [and each Borrower Related Party that is subject to compliance with the Patriot Act] has established an anti-money laundering compliance program as required by the Patriot Act and is in compliance with the Patriot Act in all material respects].[107]

Section 14. Representations and Warranties of TIFIA Lender. The TIFIA Lender represents and warrants that:

(a) Power and Authority. The TIFIA Lender has all requisite power and authority to make the TIFIA Loan and to perform all transactions contemplated by the Related Documents to which it is a party.

(b) Due Execution; Enforceability. The Related Documents to which it is a party have been duly authorized, executed and delivered by the TIFIA Lender, and are legally valid and binding agreements of the TIFIA Lender, enforceable in accordance with their terms.

---

[105] To the extent the Borrower (and Borrower Related Parties, as applicable) is prohibited by law from waiving sovereign immunity, this representation can be deleted subject to confirmation and diligence of such legal prohibition by TIFIA.

[106] To be modified as appropriate to reflect any unique aspects of the State law, including by adding a waiver of sovereign immunity where the Borrower (and/or any Borrower Related Party, as applicable) has such immunity and is entitled to waive it as a matter of State law.

[107] To the extent the Borrower is exempt from the anti-money laundering provisions of the Patriot Act, the following language (modified as necessary) may be used as in lieu of the above language: "Pursuant to [31 CFR § 1010.205(a)], the Borrower [and each other Borrower Related Party] is exempt from the provisions of 31 U.S.C. Chapter 5318(h)(1) concerning the establishment of anti-money laundering programs."

(c) Officers' Authorization. The officers of the TIFIA Lender executing each of the Related Documents to which the TIFIA Lender is a party are duly and properly in office and fully authorized to execute the same on behalf of the TIFIA Lender.

Section 15. Affirmative Covenants. The Borrower covenants and agrees as follows until the date the TIFIA Bond and the obligations of the Borrower under this Agreement (other than contingent indemnity obligations) are irrevocably paid in full in cash and the TIFIA Lender no longer has any commitment to make disbursements to the Borrower, unless the TIFIA Lender waives compliance in writing:

(a) Securing Liens. The Borrower shall at any and all times, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable in connection with assuring, conveying, granting, assigning, securing and confirming the Liens in and to the Trust Estate (whether now existing or hereafter arising) granted to the Trustee for the benefit of the TIFIA Lender pursuant to the Indenture Documents, or intended so to be granted pursuant to the Indenture Documents, or which the Borrower may become bound to grant, and the Borrower shall at all times maintain the Trust Estate free and clear of any pledge, Lien, charge or encumbrance thereon or with respect thereto that has priority over, or equal rank with, the Liens created by the Indenture Documents, other than as permitted by this Agreement, and all organizational, regulatory or other necessary action on the part of the Borrower to that end shall be duly and validly taken at all times. The Borrower shall at all times, to the extent permitted by law, defend, preserve and protect the Liens on the Trust Estate granted pursuant to the Indenture Documents and all the rights of the Trustee for the benefit of the TIFIA Lender under the Indenture Documents against all claims and demands of all Persons whomsoever, subject to the Liens granted pursuant to the Indenture Documents.

(b) Copies of Documents.

(i) The Borrower shall provide to the TIFIA Lender a copy of any draft Indenture Documents in connection with the incurrence of any Permitted Debt or indebtedness subject to approval by the TIFIA Lender pursuant to Section 16(a) (*Indebtedness*), in each case at least twenty (20) days prior to the incurrence of such indebtedness. The Borrower shall provide to the TIFIA Lender a fully executed or final version of each such Indenture Document (or other comparable transaction documentation) within ten (10) days following execution or completion thereof.

At the time the Subsequent Qualified Hedge is priced, the Borrower shall provide to the TIFIA Lender a certificate from a qualified third party acceptable to the TIFIA Lender to the effect that either the underlying fixed rate or the price of acquiring such Subsequent Qualified Hedge is a fair price based on the interest rate market at the time such Qualified Hedge is priced.

(v) The Trustee shall be granted a security interest in each Qualified Hedge and payments due under each Qualified Hedge in order to secure the Borrower's obligations under the TIFIA Loan Documents. The Hedging Agreements shall provide that all payments due thereunder to the Borrower shall be made directly to the Trustee for deposit and disbursement in accordance with the Indenture Documents.

(vi) The Borrower shall neither terminate (other than Permitted Hedging Terminations), transfer, nor consent to any transfer (other than to a Qualified Hedge Provider) of any existing Qualified Hedge without the TIFIA Lender's prior written consent as long as the Borrower is required to maintain a Qualified Hedge pursuant to this Agreement.

(vii) If at any time a Hedging Bank no longer satisfies the requirements for a Qualified Hedge Provider, the Borrower shall, within thirty (30) days (or such lesser number of days required by the applicable Hedging Agreement, including any credit support annex thereto) of the date on which such Hedging Bank failed to qualify as a Qualified Hedge Provider, either (A) cash collateralize the mark-to-market value of the Hedging Termination Obligations (in accordance with the credit support annex or similar requirements of the applicable Hedging Agreement) or provide a guarantee for such amount from an entity with an Acceptable Credit Rating, or (B) cause such disqualified Hedging Bank to be replaced by a Qualified Hedge Provider, whether by means of a transfer of the disqualified Hedging Bank's Hedging Agreement to a Qualified Hedge Provider or by means of a termination of such disqualified Hedging Bank's Hedging Agreement and replacement thereof by a Hedging Agreement with a Qualified Hedge Provider on terms and conditions that satisfy the requirements of this Section 15(o) (*Hedging*); provided that if the disqualified Hedging Bank's highest credit rating from any Rating Agency is less than 'A-', 'A3' or the equivalent, clause (A) shall not apply and the Borrower shall be required to cause such disqualified Hedging Bank to be replaced by a Qualified Hedge Provider pursuant to clause (B).

(p) SAM Registration. The Borrower shall (i) maintain its active registration status with the federal System for Award Management (www.SAM.gov) (or any successor system or registry) and (ii) within sixty (60) days prior to each anniversary of the Effective Date, provide to the TIFIA Lender evidence of such active registration status with no active exclusions listed in such registration, in each case until the Final Maturity Date or to such earlier date as all

amounts due or to become due to the TIFIA Lender hereunder have been irrevocably paid in full in cash.

(q) Events of Loss; Loss Proceeds.

(r) Immunity. Consistent with [insert relevant statutory provision], the Borrower agrees that it will not assert any immunity (and hereby waives any such immunity) it may have as a governmental entity from lawsuits, other actions and claims, and any judgments with respect to the enforcement of any of the obligations of the Borrower under this Agreement or any other TIFIA Loan Document.[118]

(s) Patriot Act. If the anti-money laundering compliance program provisions of the Patriot Act become applicable to the Borrower, then the Borrower will provide written notice to the TIFIA Lender of the same and will promptly establish an anti-money laundering compliance program that complies with all requirements of the Patriot Act.[119]

(iv) To the extent any Permitted Debt consists of Put Bonds, the Borrower must maintain a Liquidity Facility that will pay any amounts payable by the Borrower in respect of such Put Bonds.

(b) No Lien Extinguishment or Adverse Amendments. The Borrower shall not, and shall not permit any Person to, without the prior written consent of the TIFIA Lender, either (i) extinguish, impair, or transfer the Liens on the Trust Estate granted pursuant to the Indenture, (ii) terminate, assign, amend, modify, replace, or supplement any Related Document in a manner that could adversely affect the TIFIA Lender (in the TIFIA Lender's determination) in connection with the TIFIA Loan, (iii) waive or permit a waiver of any provision of any Related Document in a manner that could adversely affect the TIFIA Lender (in the TIFIA Lender's determination) in connection with the TIFIA Loan, or (iv) terminate, assign, amend or modify, or waive timely performance by any party of material covenants under any Principal Project Contract except for termination, assignment, amendment, modification or waiver that could not reasonably be expected to have a Material Adverse Effect (in the TIFIA Lender's determination). Except as otherwise agreed by the TIFIA Lender in writing, the Borrower will provide to the TIFIA Lender (x) copies of any proposed amendments, modifications, replacements of, or supplements to any Related Document at least thirty (30) days prior to the effective date thereof, and (y) complete, correct and fully executed copies of any amendment,

[121] To be included where the borrower's capital structure contemplates pari passu or subordinated obligations.

modification or supplement to any Related Document within five (5) Business Days after execution thereof.[122]

(c) No Prohibited Liens. Except for Permitted Liens, the Borrower shall not create, incur, assume or permit to exist any Lien on the Project, the Trust Estate, the Pledged Revenues, or the Borrower's respective rights therein. The Borrower shall not collaterally assign any of its rights under or pursuant to any Principal Project Contract and shall not permit a Lien to encumber the Borrower's rights or privileges under any Principal Project Contract, unless pursuant to the Indenture Documents in favor of the Trustee on behalf of the Secured Parties.

(d) Restricted Payments and Transfers. [*The TIFIA Loan Agreement may include a covenant that requires satisfaction of certain conditions before full release of funds from the bottom of the waterfall*].

(e) Additional Project Contracts. The Borrower shall not, without the prior written consent of the TIFIA Lender, enter into any Additional Project Contract (or series of related contracts) that commits the Borrower to spend, or is reasonably expected to involve expenditures by the Borrower of, amounts that either: (i) exceed $[_____] in any Borrower Fiscal Year, or (ii), alone or when aggregated with the other Total Project Costs or Operations and Maintenance Expenses, as applicable, in the same line item of the applicable budget set forth in the Financial Plan most recently submitted to the TIFIA Lender, would cause aggregate Total Project Costs or Operations and Maintenance Expenses, as applicable, for such line item in any Borrower Fiscal Year to exceed the amounts for such line item for any Borrower Fiscal Year reflected in the budget in the Financial Plan most recently submitted to the TIFIA Lender.

(f) No Prohibited Sale, Lease or Assignment. The Borrower shall not sell, lease, or assign its rights in and to the Project, a substantial portion of the assets included in the Project, or its rights and obligations under any Related Document, in each case unless such sale, lease or assignment (A) could not reasonably be expected to result in a Material Adverse Effect, and (B) is made by the Borrower in the ordinary course of business.

(g) Organizational Documents; Fiscal Year. The Borrower shall not at any time (i) amend or modify its Organizational Documents (other than any amendment or modification that is of a ministerial nature and that is not adverse to the interests of any Secured Party under the Indenture or in the Trust Estate) without the prior written consent of the TIFIA Lender, or (ii) adopt any fiscal year other than the Borrower Fiscal Year, except with thirty (30) days' prior written notice to the TIFIA Lender.

(h) Transactions with other Governmental Authorities. Except for the transactions expressly contemplated in the TIFIA Loan Documents, the Borrower shall not (i) sell or transfer any property or assets constituting part of the Project to, or purchase or acquire any property or assets of, any other Governmental Authority, or (ii) otherwise engage in any

(i) No Payment with Federal Funds. The Borrower shall not pay any portion of TIFIA Debt Service nor any other amount to the TIFIA Lender or the Federal Government pursuant to the TIFIA Loan Documents with funds received directly or indirectly from the Federal Government; provided, however, that the Borrower may prepay the TIFIA Loan in whole or in part with the proceeds of a validly issued federal credit instrument pursuant to, and in accordance with, Section 10 (*Prepayment*).

(j) Acquisitions; Change in Legal Structure; Sale of Assets; Transactions with Third Parties. The Borrower shall not, and shall not agree to:

(i) acquire by purchase or otherwise the business, property or fixed assets of, or equity interests or other evidence of beneficial ownership interests in, any Person, other than purchases or other acquisitions of inventory or materials or spare parts or Capital Expenditures, each in the ordinary course of business in compliance with the annual budget set forth in the Financial Plan most recently submitted to the TIFIA Lender; or

(ii) reorganize, consolidate with, or merge into another Person unless (A) such merger or consolidation is with or into another entity established and Controlled by [*State DOT*], and, in each case, including reorganization, would not reasonably be expected to adversely affect or impair to any extent or in any manner (1) the Trust Estate or any portion thereof, including the Pledged Revenues, or (2) the availability of the Pledged Revenues for the payment and security of the obligations of the Borrower under this Agreement and the other TIFIA Loan Documents; and (B) the Borrower provides to the TIFIA Lender, no later than sixty (60) days prior to the date of reorganization, consolidation or merger, prior written notice of such reorganization, consolidation or merger and the agreements and documents authorizing the reorganization, consolidation or merger, satisfactory in form and substance to the TIFIA Lender. The documents authorizing any reorganization, consolidation or merger shall contain a provision, satisfactory in form and substance to the TIFIA Lender, that, following such reorganization, consolidation or merger, the successor will assume, by operation of law or otherwise, the due and punctual performance and observance of all of the representations, warranties, covenants, agreements and conditions of this Agreement and the other Related Documents to which the Borrower is a party. In addition, the Borrower shall provide all information concerning such reorganization, consolidation or merger as shall have been reasonably requested by the TIFIA Lender.[123]

[123] Modification may be required for projects that are TIFIA-eligible based on 49 U.S.C. Chapter 53 and FTA has construction oversight responsibility for the Project.

(iii) sell, lease, or assign its rights in and to the Project or in and to a material portion of the assets constituting the Project [(prior to the Substantial Completion Date)][124] , to the extent such sale, lease or assignment could reasonably be expected to have a Material Adverse Effect[125]; or

(iv) otherwise engage in a transaction with any other Person (including any other Governmental Authority of or in the State) to the extent such transaction could reasonably be expected to have a Material Adverse Effect.

(k) No Defeasance of TIFIA Bond. The Borrower shall not defease the TIFIA Bond pursuant to the Indenture without the prior written consent of the TIFIA Lender.

(l) OFAC Compliance.

(i) The Borrower shall not:

(A) violate (1) any applicable Anti-Money Laundering Laws, (2) any applicable Sanctions, (3) any applicable Anti-Corruption Laws or (4) any applicable anti-drug trafficking or anti-terrorism laws, civil or criminal;

(B) use the proceeds of the TIFIA Loan for purposes other than those permitted by applicable law and as otherwise permitted under this Agreement, the other Related Documents and the Principal Project Contract; or

(C) make a payment, directly or indirectly, to any Principle Project Party that (1) to the Borrower's knowledge, has violated any of the laws referenced in Section 16(l)(i) (*OFAC Compliance*) or (2) is a Sanctioned Person.

(ii) The Borrower shall procure that each of its directors, officers, employees, and agents, shall not, directly or indirectly, use the proceeds of the TIFIA Loan or lend to, make any payment to, contribute or otherwise make available any funds to any affiliate, joint venture partner or other Person (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any applicable Anti-Corruption Laws, (B) in any manner that would result in the violation of any applicable Anti-Money Laundering Laws, (C) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, or (D) in any other manner that would result in the violation of any Sanctions by any

Person (including the Executive Director, the TIFIA Lender or any Principal Project Party).

(m) Hedging. Other than interest rate hedging transactions expressly permitted hereunder, the Borrower shall not enter into any swap or hedging transaction, including inflation indexed swap transactions, "cap" or "collar" transactions, futures, or any other hedging transaction without the prior written consent of the TIFIA Lender.

Section 17. Indemnification. The Borrower shall indemnify the TIFIA Lender and any official, employee, agent, advisor, or representative of the TIFIA Lender (each such Person being herein referred to as an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities, fines, penalties, costs and expenses (including the fees, charges and disbursements of any counsel for any Indemnitee and the costs of environmental remediation), whether known, unknown, contingent or otherwise, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (a) the execution, delivery and performance of this Agreement or any of the other Related Documents, (b) the TIFIA Loan or the use of the proceeds thereof, or (c) the violation of any law, rule, regulation, order, decree, judgment or administrative decision relating to the environment, the preservation or reclamation of natural resources, the management, release or threatened release of any hazardous material or to health and safety matters; in each case arising out of or in direct relation to the Project; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities, fines, penalties, costs or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. In case any action or proceeding is brought against an Indemnitee by reason of any claim with respect to which such Indemnitee is entitled to indemnification hereunder, the Borrower shall be entitled, at its expense, to participate in the defense thereof; provided that such Indemnitee has the right to retain its own counsel, at the Borrower's expense, and such participation by the Borrower in the defense thereof shall not release the Borrower of any liability that it may have to such Indemnitee. Any Indemnitee against whom any indemnity claim contemplated in this Section 17 (*Indemnification*) is made shall be entitled, after consultation with the Borrower and upon consultation with legal counsel wherein such Indemnitee is advised that such indemnity claim is meritorious, to compromise or settle any such indemnity claim. Any such compromise or settlement shall be binding upon the Borrower for purposes of this Section 17 (*Indemnification*). Nothing herein shall be construed as a waiver of any legal immunity that may be available to any Indemnitee. To the extent permitted by applicable law, neither the Borrower nor the TIFIA Lender shall assert, and each of the Borrower and the TIFIA Lender hereby waives, any claim against any Indemnitee or the Borrower, respectively, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any of the other Related Documents, the other transactions contemplated hereby and thereby, the TIFIA Loan or the use of the proceeds thereof, provided that nothing in this sentence shall limit the Borrower's indemnity obligations to the extent such damages are included in any third party claim in connection with which an Indemnitee is entitled to indemnification hereunder. All amounts due to any Indemnitee under this Section 17 (*Indemnification*) shall be payable promptly upon

demand therefor. The obligations of the Borrower under this Section 17 (*Indemnification*) shall survive the payment or prepayment in full or transfer of the TIFIA Bond, the enforcement of any provision of this Agreement or the other Related Documents, any amendments, waivers (other than amendments or waivers in writing with respect to this Section 17 (*Indemnification*)) or consents in respect hereof or thereof, any Event of Default, and any workout, restructuring or similar arrangement of the obligations of the Borrower hereunder or thereunder.

Section 18. Sale of TIFIA Loan. The TIFIA Lender shall not sell the TIFIA Loan at any time prior to the Substantial Completion Date. At any time after Substantial Completion, the TIFIA Lender may sell the TIFIA Loan to another entity or reoffer the TIFIA Loan into the capital markets only in accordance with the provisions of this Section 18 (*Sale of TIFIA Loan*). Any such sale or reoffering shall be on such terms as the TIFIA Lender shall deem acceptable in its sole discretion. However, in making such sale or reoffering the TIFIA Lender shall not change the terms and conditions of the TIFIA Loan without the prior written consent of the Borrower in accordance with Section 29 (*Amendments and Waivers*). The TIFIA Lender shall provide, at least thirty (30) days prior to any sale or reoffering of the TIFIA Loan, written notice to the Borrower of the TIFIA Lender's intention to consummate such a sale or reoffering; provided, however, that no such notice shall be required during the continuation of any Event of Default. The provision of any notice pursuant to this Section 18 (*Sale of TIFIA Loan*) shall not (x) obligate the TIFIA Lender to sell nor (y) provide the Borrower with any rights or remedies in the event the TIFIA Lender, for any reason, does not sell the TIFIA Loan.

Section 19. Events of Default and Remedies.

(a) An "**Event of Default**" shall exist under this Agreement if any of the following occurs:

(i) Payment Default. The Borrower shall fail to pay any of the principal amount of or interest on the TIFIA Loan (including TIFIA Debt Service required to have been paid pursuant to the provisions of Section 9 (*Payment of Principal and Interest*), and any mandatory prepayment required pursuant to the provisions of Section 10(a) (*Mandatory Prepayments*)), when and as the payment thereof shall be required under this Agreement or the TIFIA Bond or on the Final Maturity Date (each such failure, a "**Payment Default**").

(ii) Covenant Default. The Borrower shall fail to observe or perform any covenant, agreement or obligation of the Borrower under this Agreement (including any payment of fees or other amounts (other than principal and interest) payable hereunder), the TIFIA Bond, or any other TIFIA Loan Document (other than in the case of any Payment Default or any Development Default), and such failure shall not be cured within thirty (30) days after the earlier to occur of (A) receipt by the Borrower from the TIFIA Lender of written notice thereof, (B) the Borrower's knowledge of such failure, or (C) with respect to any non-payment of fees or amounts described above in this clause (ii), the date on which any such fees or amounts became due and payable; provided, however, that if such failure is capable of cure but cannot reasonably be cured within such thirty (30) day cure period, then no Event of Default shall be deemed to have occurred or be continuing under this Section 19(a)(ii) (*Covenant Default*), and such thirty

(30) day cure period shall be extended by up to one hundred fifty (150) additional days, if and so long as (x) within such thirty (30) day cure period the Borrower shall commence actions reasonably designed to cure such failure and shall diligently pursue such actions until such failure is cured, and (y) such failure is cured within one hundred eighty (180) days of the date specified in either (A) or (B) above, as applicable; provided, further, that no extension of the thirty (30) day cure period shall be permitted for any failure to pay any fee or other amount (excluding principal and interest) payable hereunder.

(iii) Development Default. A Development Default shall occur.

(iv) Misrepresentation Default. Any of the representations, warranties or certifications of the Borrower made in or delivered pursuant to the TIFIA Loan Documents (or in any certificates delivered by the Borrower in connection with the TIFIA Loan Documents) shall prove to have been false or misleading in any material respect when made or deemed made (or any representation and warranty that is subject to a materiality qualifier shall prove to have been false or misleading in any respect); provided that no Event of Default shall be deemed to have occurred under this Section 19(a)(iv) (*Misrepresentation Default*) if and so long as:

(A) such misrepresentation is not intentional;

(B) such misrepresentation is not a misrepresentation in respect of Section 13(h) (*No Debarment*), Section 13(j) (*Compliance with Federal Requirements*), Section 13(k) (*Transportation Improvement Program*), Section 13(q) (*OFAC; Anti-Corruption Laws*), Section 13(ee) (*Patriot Act*), or Section [*include additional representations and warranties, as applicable*];

(C) in the reasonable determination of the TIFIA Lender, such misrepresentation has not had, and would not reasonably be expected to result in, a Material Adverse Effect;

(D) in the reasonable determination of the TIFIA Lender, the underlying issue giving rise to the misrepresentation is capable of being cured;

(E) the underlying issue giving rise to the misrepresentation is cured by the Borrower within thirty (30) days from the date on which the Borrower first became aware (or reasonably should have become aware) of such misrepresentation; and

(F) the Borrower diligently pursues such cure during such thirty (30) day period.

(v) Acceleration of Senior Obligations or Pari Passu Obligations. Any acceleration shall occur of the maturity of any Senior Obligations, Pari Passu Obligations, or Subordinated Obligations or any Senior Obligation, Pari Passu Obligation, or Subordinated Obligations shall not be paid in full upon the final maturity thereof.

(vi) Cross Default to Financing Documents. Any of the representations, warranties or certifications of the Borrower made in or delivered pursuant to any Indenture Document[, or made in or delivered pursuant to the documents (the "**Other Loan Documents**") under which any other indebtedness of the Borrower in an aggregate amount equal to or greater than $[___] ("**Other Material Indebtedness**") is created or incurred,][126] shall prove to be false or misleading in any material respect (each a "**Cross Misrepresentation Default**"), or any default shall occur in respect of the performance of any covenant, agreement or obligation of the Borrower under any Indenture Document [or Other Loan Document], and[, in either case,] such default shall be continuing after the giving of any applicable notice and the expiration of any applicable grace period specified in any such Indenture Document [or Other Loan Document (as the case may be)] with respect to such default (each a "**Cross Covenant Default**"), if the effect of such Cross Misrepresentation Default or Cross Covenant Default shall be to permit the immediate acceleration of the maturity of any or all of the Senior Obligations [or the] Pari Passu Obligations[, or Other Material Indebtedness] (as the case may be), and, in the case of any such Cross Misrepresentation Default or Cross Covenant Default, the Borrower shall have failed to cure such Cross Misrepresentation Default or Cross Covenant Default or to obtain an effective written waiver thereof in accordance with the terms of the Indenture Documents [or Other Loan Documents].

(vii) Cross Default to Principal Project Contracts. (A) The Borrower or any Principal Project Party shall default in the timely performance of any covenant, agreement or obligation under any Principal Project Contract (unless in any case such default could not reasonably be expected to have a Material Adverse Effect) or any Principal Project Contract shall be terminated prior to its scheduled expiration, and the Borrower or such Principal Project Party shall have failed to cure such default or to obtain an effective written waiver thereof prior to the expiration of the applicable grace period specified in any such Principal Project Contract, or to obtain an effective revocation of such termination (as the case may be) or (B) any Principal Project Contract ceases to be in full force and effect for any reason (other than as a result of the termination thereof in accordance with its terms) or becomes void, voidable, illegal or unenforceable, or the Borrower or any Principal Project Party shall contest in any manner the validity or enforceability of any Principal Project Contract or any material provision thereof, or denies it has any further liability under any Principal Project Contract, or purports to revoke, terminate or rescind any Principal Project Contract or any material provision thereof; provided, however, that no Event of Default shall be deemed to have occurred or be continuing under this Section 19(a)(vii) (*Cross Default to Principal Project Contracts*) if, in the case any Principal Project Contract is terminated or otherwise ceases to be in full force and effect prior to its scheduled expiration, (x) the Borrower replaces such Principal Project Contract with a replacement agreement (1)

[126] Include Other Material Indebtedness in the event the Borrower has debt outside of the Indenture or is permitted under this Loan Agreement to issue debt outside of the Indenture that is secured by TIFIA's collateral, or the other debt is cross-collateralized to TIFIA's collateral. Separate and distinct trust estates should not be included for purposes of this provision; i.e., this provision would not cross-default to a sales tax indenture if the TIFIA loan was secured by toll revenues..

entered into with another counterparty that (I) is of similar or greater creditworthiness (including credit support), technical capability, and relevant experience as the counterparty being replaced was at the time the applicable Principal Project Contract was originally executed (or otherwise reasonably acceptable to the TIFIA Lender), (II) is not, at the time of such replacement, suspended or debarred or subject to a proceeding to suspend or debar from bidding, proposing or contracting with any federal or state department or agency, and (III) is not, at the time of such replacement, in violation of any applicable laws referenced in Section 13(q) (*OFAC; Anti-Corruption Laws*), and is in compliance with all applicable laws referenced in Section 13(r) (*Compliance with Law*) and Section 13(s) (*Environmental Matters*), (2) on substantially the same terms and conditions as the Principal Project Contract being replaced (or otherwise reasonably acceptable to the TIFIA Lender), (3) effective as of the date of termination of the Principal Project Contract being replaced, and (4) each performance security instrument required under the replacement agreement is in full force and effect at the time of such replacement and is on substantially the same terms and conditions as the comparable performance security instrument required under the Principal Project Contract being replaced (or otherwise reasonably acceptable to the TIFIA Lender).

(viii) Judgments. One or more judgments (A) for the payment of money in an aggregate amount in excess of $[_____] (inflated annually by CPI) that are payable from the Trust Estate or any portion thereof, including the Pledged Revenues and are not otherwise fully covered by insurance (for which the insurer has acknowledged and not disputed coverage) or (B) that would reasonably be expected to result in a Material Adverse Effect shall, in either case, be rendered against the Borrower, and the same shall remain undischarged for a period of thirty (30) consecutive days during which time period execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Borrower to enforce any such judgment.

(ix) Failure to Maintain Existence. The Borrower shall fail to maintain its existence as a [_____], unless at or prior to the time the Borrower ceases to exist in such form a successor public agency or governing body has been created by the State pursuant to a valid and unchallenged State law and has succeeded to the assets of the Borrower and has assumed all of the obligations of the Borrower under the TIFIA Loan Documents and the Indenture Documents, including the payment of all Secured Obligations.

(x) Occurrence of a Bankruptcy Related Event. (A) A Bankruptcy Related Event shall occur with respect to the Borrower or (B) a Bankruptcy Related Event shall occur with respect to [any Borrower Related Party (other than the Borrower) or] any Principal Project Party[127].

[127] It should be noted that the "springing lien" is only triggered upon a default covered by clause (A) (a Bankruptcy Related Event with respect to the Borrower). Defaults under clause (B) are standard events of default that do not trigger the "springing lien."

(xi) Project Abandonment. The Borrower shall abandon the Project.

(xii) Invalidity of TIFIA Loan Documents. (A) Any TIFIA Loan Document ceases to be in full force and effect (other than as a result of the termination thereof in accordance with its terms) or becomes void, voidable, illegal or unenforceable, or any Borrower Related Party contests in any manner the validity or enforceability of any TIFIA Loan Document to which it is a party or denies it has any further liability under any TIFIA Loan Document to which it is a party, or purports to revoke, terminate or rescind any TIFIA Loan Document to which it is a party; or (B) any Indenture Document ceases (other than as expressly permitted thereunder) to be effective to grant a valid and binding security interest on any material portion of the Trust Estate, including the Pledged Revenues, other than as a result of actions or a failure to act by, and within the control of, the Trustee or any Secured Party, and with the priority purported to be created thereby.

(xiii) Cessation of Operations. Operation of the Project shall cease for a continuous period of not less than one hundred eighty (180) days unless such cessation of operations shall occur by reason of an Uncontrollable Force that is not due to the fault of the Borrower (and which the Borrower could not reasonably have avoided or mitigated) and the Borrower shall either be self-insured in an amount sufficient to cover, or shall have in force an insurance policy or policies under which the Borrower is entitled to recover amounts sufficient to pay (and may use such amounts to pay) all Debt Service, TIFIA Debt Service and costs and expenses of the Borrower during such cessation of operations.

(xiv) Authorizing Legislation. The Authorizing Legislation shall be repealed or shall be amended or modified in such a manner that could reasonably be expected to result in a Material Adverse Effect.

(b) Upon the occurrence of an Event of Default described in Section 19(a)(iii) (*Development Default*), the TIFIA Lender may (i) suspend the disbursement of TIFIA Loan proceeds hereunder, (ii) terminate all of its obligations hereunder with respect to the disbursement of any undisbursed amounts of the TIFIA Loan, and (iii) demand that the Borrower immediately repay any unexpended TIFIA Loan proceeds previously disbursed to the Borrower, in which event the Borrower shall immediately repay any such unexpended TIFIA Loan proceeds to the TIFIA Lender.

(c) Upon the occurrence of any Bankruptcy Related Event with respect to the Borrower, all obligations of the TIFIA Lender hereunder with respect to the disbursement of any undisbursed amounts of the TIFIA Loan shall automatically be deemed terminated, and the Outstanding TIFIA Loan Balance, together with all interest accrued thereon and all fees, costs, expenses, indemnities and other amounts payable under this Agreement, the TIFIA Bond or the other TIFIA Loan Documents with respect to the TIFIA Loan, shall automatically become immediately due and payable, without presentment, demand, notice, declaration, protest or other requirements of any kind, all of which are hereby expressly waived.

(d) Upon the occurrence of any other Event of Default, the TIFIA Lender, by written notice to the Borrower, may (i) suspend or terminate all of its obligations hereunder with respect to the disbursement of any undisbursed amounts of the TIFIA Loan, (ii) demand that the Borrower repay any unexpended TIFIA Loan proceeds disbursed to the Borrower, and (iii) declare the unpaid principal amount of the TIFIA Bond to be, and the same shall thereupon forthwith become, immediately due and payable, together with the interest accrued thereon and all fees, costs, expenses, indemnities and other amounts payable under this Agreement, the TIFIA Bond, or the other TIFIA Loan Documents with respect to the TIFIA Loan, all without presentment, demand, notice, protest, or other requirements of any kind, all of which are hereby expressly waived.

(e) Whenever any Event of Default hereunder shall have occurred and be continuing, the TIFIA Lender shall be entitled and empowered to institute any actions or proceedings at law or in equity for the collection of any sums due and unpaid hereunder, under the TIFIA Bond or under the other TIFIA Loan Documents with respect to the TIFIA Loan, and may prosecute any such judgment or final decree against the Borrower and collect in the manner provided by law out of the property of the Borrower the moneys adjudged or decreed to be payable, and the TIFIA Lender shall have all of the rights and remedies of a creditor, including all rights and remedies of a secured creditor under the Uniform Commercial Code, and may take such other actions at law or in equity as may appear necessary or desirable to collect all amounts due and unpaid hereunder or under the TIFIA Bond, or under the other TIFIA Loan Documents with respect to the TIFIA Loan, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Agreement, the TIFIA Bond or the other TIFIA Loan Documents.

(f) Whenever any Event of Default hereunder shall have occurred and be continuing, the TIFIA Lender may suspend or debar the Borrower from further participation in any Federal Government program administered by the TIFIA Lender and to notify other departments and agencies of such default.

(g) No action taken pursuant to this Section 19 (*Events of Default and Remedies*) shall relieve Borrower from its obligations pursuant to this Agreement, the TIFIA Bond or the other TIFIA Loan Documents, all of which shall survive any such action.

Section 20. Accounting and Audit Procedures; Inspections; Reports and Records.

(a) Accounting and Audit Procedures. The Borrower shall establish fiscal controls and accounting procedures sufficient to assure proper accounting for all Project-related transactions (including collection of Pledged Revenues, and any other revenues attributable to the Project, and TIFIA Loan requisitions received and disbursements made with regard to the Project), so that audits may be performed to ensure compliance with and enforcement of this Agreement. The Borrower shall use accounting, audit and fiscal procedures conforming to GAAP, including, with respect to the TIFIA Loan, accounting of principal and interest payments, disbursements, prepayments and calculation of interest and principal amounts outstanding.

(b) Inspections. So long as the TIFIA Loan or any portion thereof shall remain outstanding and until five (5) years after the TIFIA Loan shall have been paid in full, the TIFIA

Lender shall have the right, upon reasonable prior notice, to visit and inspect any of the locations or properties of the Borrower, to examine its books of account and records, to make copies and extracts therefrom at the Borrower's expense, and to discuss the Borrower's affairs, finances and accounts with, and to be advised as to the same by, its officers and employees and its independent public accountants (and by this provision the Borrower irrevocably authorizes its independent public accountants to discuss with the TIFIA Lender the affairs, finances and accounts of the Borrower, whether or not any representative of the Borrower is present, it being understood that nothing contained in this Section 20(b) is intended to confer any right to exclude any such representative from such discussions), all at such reasonable times and intervals as the TIFIA Lender may desire. The Borrower agrees to pay all out-of-pocket expenses incurred by the TIFIA Lender in connection with the TIFIA Lender's exercise of its rights under this Section 20(b) at any time when an Event of Default shall have occurred and be continuing.

(c) Reports and Records. The Borrower shall maintain and retain all files relating to the Project, the Pledged Revenues and the TIFIA Loan until three (3) years after the later of the date on which (i) all rights and duties hereunder and under the TIFIA Bond (including payments) have been fulfilled and any required audits have been performed and (ii) any litigation relating to the Project, the Pledged Revenues, the TIFIA Loan or this Agreement is finally resolved or, if the TIFIA Lender has reasonable cause to extend such date, a date to be mutually agreed upon by the TIFIA Lender and the Borrower. The Borrower shall provide to the TIFIA Lender in a timely manner all records and documentation relating to the Project or the Pledged Revenues that the TIFIA Lender may reasonably request from time to time.

(d) Required Audit. The Borrower shall have a single or program-specific audit conducted in accordance with 2 CFR Part 200 Subpart F and 31 U.S.C. § 7502 in [*insert current year*] and annually thereafter, except to the extent biennial audits are permitted for the Borrower pursuant to 2 CFR § 200.504 and 31 U.S.C. § 7502(b). Upon reasonable notice, the Borrower shall cooperate fully in the conduct of any periodic or compliance audits conducted by the TIFIA Lender, the USDOT, or designees thereof, pursuant to 49 CFR § 80.19, 31 U.S.C. § 7503(b), or 31 U.S.C. § 6503(h) and shall provide full access to any books, documents, papers or other records that are pertinent to the Project or the TIFIA Loan, to the Secretary, or the designee thereof, for any such project or programmatic audit.[128]

Section 21. Financial Plan; Semi-Annual Coverage Certificates; Financial Statements.

(a) Financial Plan. (b) In establishing the amount of the fee, the TIFIA Lender will adjust the previous year's base amount in proportion to the percentage change in CPI. For the FFY [____] calculation, the TIFIA Lender will use the FFY [____] base amount of $[_____], which applies to other TIFIA borrowers, as the previous year's base amount. To calculate the amount of the fee, the TIFIA Lender shall round the current year's base amount using increments of $500. (i) the enforcement of or attempt to enforce any provision of this Agreement or any of the other TIFIA Loan Documents;

(ii) any amendment, modification, or requested amendment or modification of, waiver, consent, or requested waiver or consent under or with respect to, or the protection or preservation of any right or claim under or with respect to, this Agreement, any other Related Document, or the Trust Estate, or advice in connection with the administration, preservation in full force and effect, and enforcement of this Agreement or any other Related Document or the rights of the TIFIA Lender thereunder;

(iii) any ongoing oversight and monitoring of the TIFIA Loan, the Borrower or the Project by the TIFIA Lender as provided for herein; and

(iv) any work-out, restructuring, or similar arrangement of the obligations of the Borrower under this Agreement or the other TIFIA Loan Documents, including during the pendency of one or more Events of Default.

The obligations of the Borrower under this Section 28 (*Fees and Expenses*) shall survive the payment or prepayment in full or transfer of the TIFIA Bond, the enforcement of any provision of this Agreement or the other TIFIA Loan Documents, any such amendments, waivers or consents, any Event of Default, and any such workout, restructuring, or similar arrangement.

This Agreement shall be binding upon the parties hereto and their respective permitted successors and assigns and shall inure to the benefit of the parties hereto and their permitted successors and assigns. Neither the Borrower's rights or obligations hereunder nor any interest therein may be assigned, delegated, or transferred by the Borrower without the prior written consent of the TIFIA Lender.

No remedy conferred herein or reserved to the TIFIA Lender is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 34. Delay or Omission Not Waiver. No delay or omission of the TIFIA Lender to exercise any right or remedy provided hereunder upon a default of the Borrower (except a delay or omission pursuant to a written waiver) shall impair any such right or remedy or constitute a waiver of any such default or acquiescence therein. EXHIBIT D

REQUISITION PROCEDURES

This **Exhibit D** sets out the procedures which the Borrower agrees to follow in submitting Requisitions for the disbursement of TIFIA Loan proceeds in respect of the Eligible Project Costs incurred in connection with the Project. Section 1 sets out the manner in which Requisitions are to be submitted and reviewed. Sections 2 through Section 4 set out the circumstances in which the TIFIA Lender may reject or correct Requisitions submitted by the Borrower or withhold a disbursement. The Borrower expressly agrees to the terms hereof, and further agrees that (i) the rights of the TIFIA Lender contained herein are in addition to (and not in lieu of) any other rights or remedies available to the TIFIA Lender under the TIFIA Loan Agreement, and (ii) nothing contained herein shall be construed to limit the rights of the TIFIA Lender to take actions including administrative enforcement action and actions for breach of contract against the Borrower if it fails to carry out its obligations under the TIFIA Loan Agreement during the term thereof.

Section 1. General Requirements. All requests by the Borrower for the disbursement of TIFIA Loan proceeds shall be made by electronic mail or overnight delivery service by submission to the TIFIA Lender, in accordance with Section 36 (*Notices; Payment Instructions*) of the TIFIA Loan Agreement, of a Requisition, in form and substance satisfactory to the TIFIA Lender and completed and executed by the Borrower's Authorized Representative. The form of Requisition is attached as Appendix One to this **Exhibit D**. Supporting documentation should be submitted with the requisition.

All disbursement requests must be received by the TIFIA Lender at or before 5:00 P.M. (EST) on the first (1st) Business Day of a calendar month in order to obtain disbursement by the fifteenth (15th) day of such calendar month or, if such day is not a Business Day, the next succeeding Business Day.

Section 2. Rejection. A Requisition may be rejected in whole or in part by the TIFIA Lender if it is:

(a) submitted without signature;

(b) submitted under signature of a Person other than a Borrower's Authorized Representative;

(c) submitted after prior disbursement of all proceeds of the TIFIA Loan; or

(d) submitted without adequate documentation of Eligible Project Costs incurred or paid. Such documentation shall include invoices for costs incurred or paid, if a Consulting Engineer is retained as of such date by the Borrower, pursuant to Section 22(c) or otherwise, such documentation shall include the most recent certificate of or report prepared by the Consulting Engineer relating to the construction of the Project (to the extent not previously delivered to the TIFIA Lender).

The TIFIA Lender shall promptly send to the Borrower, in accordance with Section 36 (*Notices; Payment Instructions*) of the TIFIA Loan Agreement, a notice of any Requisition so rejected, and the reasons therefor, substantially in the form attached hereto as Appendix Two to this **Exhibit D**. Any Requisition rejected for the reasons specified in (a), (b) or (d) above must be resubmitted in proper form in order to be considered for approval. If a Requisition exceeds the balance of the TIFIA Loan proceeds remaining to be disbursed, the request will be treated as if submitted in the amount of the balance so remaining, and the TIFIA Lender will so notify the Borrower.

Section 3. Correction. A Requisition containing an apparent mathematical error will be corrected by the TIFIA Lender, after telephonic or email notification to the Borrower, and will thereafter be treated as if submitted in the corrected amount.

Section 4. Withholding. The TIFIA Lender shall be entitled to withhold approval (in whole or in part) of any pending or subsequent requests for the disbursement of TIFIA Loan proceeds if:

(a) an Event of Default or event that, with the giving of notice or the passage of time or both, would constitute an Event of Default under the TIFIA Loan Agreement shall have occurred and be continuing; or

(b) the Borrower:

(i) knowingly takes any action, or omits to take any action, amounting to fraud or violation of any applicable federal or local criminal law, in connection with the transactions contemplated hereby; or

(ii) fails to construct the Project in a manner consistent with the Governmental Approvals with respect to the Project, or in accordance with the highest standards of the Borrower's industry, where such failure prevents or materially impairs the Project from fulfilling its intended purpose, or prevents or materially impairs the ability of the TIFIA Lender to monitor compliance by the Borrower with applicable federal or local law pertaining to the Project or with the terms and conditions of the TIFIA Loan Agreement; or

(iii) fails to observe or comply with any applicable federal or local law, or any term or condition of the TIFIA Loan Agreement; or

(iv) fails to satisfy any condition set forth in Section 4 (*Disbursement Conditions*) or Section 12(b) (*Conditions Precedent to All Disbursements*) of the TIFIA Loan Agreement; or

(v) fails to deliver documentation satisfactory to the TIFIA Lender evidencing Eligible Project Costs claimed for disbursement at the times and in the manner specified by the TIFIA Loan Agreement; provided, that in such case the TIFIA Lender may, in its sole discretion, partially approve a disbursement request in respect of any amounts for which adequate documentation evidencing Eligible

Project Costs has been provided and may, in its sole discretion, disburse in respect of such properly documented amounts.

Section 5. Federal Government Shutdown. Notwithstanding anything to the contrary set forth in this **Exhibit D**, the TIFIA Lender (a) shall be entitled to withhold approval of any pending or subsequent requests for the disbursement of TIFIA Loan proceeds and (b) shall have no obligation to make any disbursement of proceeds of the TIFIA Loan to the Borrower (even if such disbursement has been submitted to the TIFIA Lender), in each case if the TIFIA Lender's ability to make the relevant disbursement is impaired as a result of a partial or total shutdown of the operations of any federal department or agency (including the USDOT or any of its agencies), or any contractor of any such department or agency, due to a lapse in appropriations by Congress.
